PROFILE

Dedicated and self-motivated Computer Science professional with a Diploma in Computer Science and Engineering, With a strong academic background and valuable internship experience. In my 56- day internship at Internshala.com, I successfully completed a project called “pglife”. I consistently maintained impressive academic scores, achieving a grade of 81% in my Higher Secondary Education form Uttar Pradesh.

With skills in Code HTML, CSS, JavaScript, Bootstrap React JS, PHP, Laravel 11, MongoDB, MySQL, . I have a solid foundation technical abilities. I am eager to utilize these skills in a challenging role that offers opportunities for growth and development.

EXTRACURRICULAR ACHIEVEMENTS

- I worked on many events in my college.
- Received awards form respectful Teachers.
- Mentoring a coworker or follow student.
